**Potter Residents**

I would like to thank the Potter community for your support the past 4 years while I was Village President. It was a pleasure working for you and I did the best I could to make the best use of your tax dollars and try to make Potter a better place to live and work. It takes everyone's help to meet the challenges of today and as I always say, "if everyone does a little no one has to do a lot." **Ellen Gurbolt** is graciously stepping up to the challenge of running for Village President and the following residents and myself are endorsing her as the most qualified to fill that office.
